📁 Portfolio

📍 Karachi, Pakistan

Summary

Pharm D graduate with hands-on experience in pharmaceutical research, clinical data review, and scientific documentation. Skilled in systematic reviews, meta-analyses, and regulatory-aligned writing with exposure to GMP, pharmacovigilance principles, and evidence-based literature synthesis. Seeking a remote role in **medical writing or pharmacovigilance** where I can translate complex scientific data into clear, accurate, and compliant content for global healthcare audiences.

Core Competencies

- **Medical & Scientific Writing:** Clinical summaries, literature reviews, systematic reviews & meta-analyses, research documentation
- **Pharmacovigilance:** Drug safety concepts, adverse event awareness, GMP/GCP compliance, regulatory standards
- **Research Methodology:** PICO framework, data extraction, bias assessment, statistical interpretation (SPSS)
- **Literature & Database Search:** PubMed, EMBASE, Medline, Google Scholar, Cochrane, Rayyan, ORCID
- **Analytical & Lab Skills:** HPLC, UV spectroscopy, titration, QA/QC documentation, batch record review
- **Tools:** Microsoft Office (Word, Excel, PowerPoint), SPSS, Rayyan, reference management tools

Education

Doctor of Pharmacy (Pharm D) 2021 – 2026
Liaquat University of Medical and Health Sciences (LUMHS), Jamshoro, Sindh, Pakistan

Intermediate (Higher Secondary Education) 2018 – 2019
The Collegiate Intermediate (G) College, Mirpurkhas

Research Experience

Cancer Research Fellow 2023 – 2024
Medical Research Centre (MRC), LUMHS, Jamshoro

- Conducted a **systematic review and meta-analysis** of clinical trials evaluating neoadjuvant immunotherapy and chemoimmunotherapy in non-small cell lung cancer (NSCLC).
- Performed structured literature searches across PubMed, EMBASE, and Cochrane; extracted and synthesised data using Rayyan and SPSS.
- Contributed to research on HER2-positive breast cancer: literature review, data collection, and preparation of foundational research documents.
- Drafted and refined sections of research manuscripts following academic writing conventions.

Experience

Quality Assurance & Quality Control Intern June – July 2025
Bosch Pharmaceuticals (Pvt) Ltd, Pakistan

- Reviewed and maintained **batch records and QC documentation** in accordance with GMP guidelines.
- Performed analytical testing (HPLC, UV spectroscopy, titration) for cephalosporin production; documented results per regulatory standards.
- Supported process monitoring and deviation reporting — key skills applicable to pharmacovigilance case documentation.

Production & Sales Operations Intern June – July 2024
Horizon Pharmaceuticals Pvt Ltd, Pakistan

- Gained exposure to pharmaceutical production workflows, SOPs, and cross-functional coordination between production and commercial teams.

WHO Immunization Quality Assessment Volunteer November 2023

World Health Organization (WHO) – LQAS & PCM Polio Campaign, Pakistan

- Participated in WHO-led training on Lot Quality Assurance Sampling (LQAS) and Pharmaceutical Care Management (PCM) for vaccine coverage monitoring.
- Assisted in field data collection and quality reporting for the national polio campaign.

Technical Skills

Writing & Research	Systematic reviews, meta-analysis, manuscript drafting, literature synthesis
Pharmacovigilance	GMP/GCP awareness, adverse event documentation, regulatory compliance
Software	MS Office, SPSS, Rayyan, PubMed, EMBASE, Medline, Google Scholar, ORCID
Laboratory	HPLC, UV spectroscopy, titration, pH meter, laminar flow hood, autoclave
Languages	English (Professional), Urdu (Native)

Certifications & Training

- WHO LQAS & PCM Training – Immunization Quality Assessment (2023)
- Cancer Research Fellowship – Medical Research Centre, LUMHS (2023–2024)
